

Greetings
from the St. Liborius
CHILDREN'S CATECHETICAL MINISTRY

August 1, 2011

Dear Parents:

On behalf of our Parish Religious Education Program Staff, we say, "WELCOME!"

Providing for your child's Religious Education is a responsibility that you assumed when you chose Baptism for your child. As part of your parish family, we want you to know that you are not alone in this task. We stand ready and willing to share the Word of God with ALL the children of St. Liborius.

Once a week, for an hour and a half, we provide a child-centered Christian atmosphere where children learn about God and his great love for us. In addition to acquiring a knowledge and understanding of the basic tenets of our Catholic faith, children also learn what it means to be a disciple of Jesus and are given opportunities to develop their time and talents in service to others.

I cannot stress how important consistency is to children's religious education. The example that is set at home and the instruction that you begin needs a place to grow and develop if they are to mature in their faith. We strongly believe that P.R.E.P. is the place where this can happen!

The children of today are the future of our Church. Not providing this opportunity or providing it inconsistently rather than year after year will do little to insure that we will have knowledgeable and responsible adults to carry on the message of Jesus Christ.

Jesus said, "Let the little children come unto me." As Catholic parents, I encourage you to review the enclosed material regarding our Parish Religious Education Program, and let this be the year that Religious Education becomes a priority in your home. You will be blessed as together you all draw closer to Jesus.

In the Name of Christ Jesus,

Carole J. Bacon

Director of Religious Education
