

ST. LIBORIUS

Parish Religious Education Program

OFFICE OF FAITH FORMATION
3440 Halsted Boulevard
Steger, Illinois 60475

Dear Families,

We welcome your family to the St. Liborius Parish Religious Education Program (PREP), whether you have been with us before or are new to the program! We are pleased to partner with you as we fulfill our baptismal promises to raise our children in the faith. This journey of faith continues through our Religious Education Program. With this letter are registration materials.

The Religious Education Program is from first grade through eighth grade, but we welcome children at any point along the way. Children are expected to continue in the program once they have started with us. Included in the program at the appropriate times is preparation for the sacraments of First Reconciliation, First Communion and Confirmation. Weekly mass attendance, family prayer and commitment to service are integral parts of the program and a foundation for our lives as Catholics.

Classes for the 2019-2020 school year begin on Sunday, September 8th at 9am with a family session in the Parish Hall. Classes are Sunday mornings from 9-10:20am in the Religious Education Center.

SACRAMENTAL INFORMATION:

First Reconciliation and First Communion – These sacraments are for students in second grade and older and who have attended at least two years of Religious Education. There may be some additional classes, as well as required parent meetings and retreats.

Confirmation – This is a consecutive 2-year program, beginning no earlier than 7th grade. All students are expected to complete the 2-year process, regardless of when they begin classes.

It is our privilege to work with you and your children as together we help them grow in their knowledge and practice of our faith. Thank you for making your child's religious education and faith formation a priority!

God bless you and your families,

Margie Wegrzyn
