

## *St. Liborius Parish Scholarship*

St. Liborius is pleased to offer a school financial assistance scholarship to Catholic students enrolled at Mother Teresa Catholic Academy or any Catholic High School. As members of the family of Christian stewards, our aim is to promote participation in the life of the church by living the Stewardship Way of Life in the Parish. We are grateful for God's blessings as we share our gifts of time, talent and treasure with the Lord and His Church. This program will assist our Parish families in providing Catholic education and formation to their children.

### SCHOLARSHIP INFORMATION

- The scholarships are awarded on a yearly basis. Therefore, any family who has received a prior, parish-based scholarship must reapply for the following year.
- Scholarship applications are available in the Church Office, in the Narthex of Church, in Mother Teresa Catholic Academy office and on the website. The deadline for turning in completed applications will be **July 1st** of the new school year.
- **Applications are received and reviewed on a first come, first served basis. Please be aware that a limited number of scholarships are available.**
- Families will be notified that their application has been received and will be reviewed. The scholarships will be awarded in August of the school year and families will receive a letter regarding their reception. Funds will be dispersed to Mother Teresa Catholic Academy or the Catholic High School in August.
- The scholarship will be available for students in grades Pre K – 8 or 9-12.
- Students approved for the scholarship will receive \$600 to be paid directly to Mother Teresa Catholic Academy or \$750 towards a Catholic High School. Families with more than one student will receive \$250 for each additional student after the first child.
- The family and the student's compliance with the criteria will be periodically assessed. The family will be notified of any change in scholarship status after the evaluation.

It is the goal of St. Liborius that through this scholarship program, our parish families with students enrolled at Mother Teresa Catholic Academy or any Catholic High School are better able to afford the quality Catholic education they seek for their children. It is our hope that as stewards of the Catholic Church, our families will continue to grow in their faith, love, and service for the Lord.

**CRITERIA**

- The applicant must be a registered member of the parish for at least 6 months prior to the start of the school year. Those applicants who have recently moved into the area from another parish must have a letter from their former pastor stating they were a registered, active member of the church.
- The applicant must be the legal guardian of the student enrolled at Mother Teresa Catholic Academy or Catholic High School.
- Families will submit their Parish envelope during the mass as proof of attendance. The student is required to submit the Stewardship/Children’s envelope when he/she attends mass. Envelopes are not to be dropped off or mailed to the Parish office. Multiple dated envelopes submitted at one mass are counted as one mass attendance.
- The family and the student must **share the gift of time** with the Lord by attending mass regularly (at least 80% of Sunday masses and holy days of obligations during the year).
- The family must **share their gift of talent** with the Church and be involved in at least one ministry in the Parish, (i.e. altar server, lector, parish council, etc.). Applicants may contact the pastor with questions regarding available options for participation in the various ministries.
- The family and the student must **share their gift of treasure** with the Lord through their sacrificial giving every week. As good Christian stewards, the family is strongly encouraged to give in proportion to the blessings the Lord has given them.

**Parish participation is a life-long commitment.  
It does not begin and end with the school year.**

**Please fill out the application and return to St. Liborius Parish Office by July 1, 2021.**
